ART 62 WATER BODIES: Using a handout, Jane Howard reviewed the Water Bodies Fund balance & planned expenditures provided by DeBenedictis. There is not enough to cover planned treatment. She also discussed the included Phragmites Fund which is separately accounted. All input in this part of the fund is from donations and expenses are solely for elimination of phragmites. Members suggested a 10 year plan for water bodies. Spy Pond needs \$15k/yr. The Res needs are not well defined.

The possibility of using the Antenna Fund, earmarked for parks & recreation, was discussed but Foskett said those funds are appropriated through the Capital Budget.

VOTED \$15k . Unanimous.

ART 70 UNCLE SAM MARKET STUDY: McKinney requested \$2.5k to begin promoting Arlington as a tourist destination. The US Committee now has \$320. He promises a return w/ profit in 2 yrs. He would like to work w/ the tourism committee being discussed by the BoS. He has not talked w/ the CoC. Has not talked w/ Planning. He has no specific plan. Members stated that there is potential. VOTED to table pending discussion w/ Manager. Unanimous

ART 71 RESTORATION OF TREES: Leary reviewed the results of the Summer St rebuilding which was completed not long ago. She says the rebuilding plan, which was approved by the Town, required removing a screen of trees between her house and the rink. She provided before & after photos from different points of view. She & her neighbors now experience more noise and light at night. Some replacement trees were delivered, she says, but were diverted to McClennan field. She requested \$24k. VOTED to table pending investigation by the PubWks SubCon. Unanimous.

WARRANT REVIEW. Tosti walked members through the entire draft warrant. Turkall was requested to arrange several additional hearings. See attached list.

ART 59 COMMITTEES & COMMISSIONS: VOTED to appropriate the same amount as last year for each org except Recycling Com. Turkall to request Recycling Com to discuss its use of the increased appropriation made for FY10.

ART 63 PENSION ADJUSTMENTS: One angle was discussed. Can an employee who retires on a partial pension, less than 50% of income before retirement, have his pension increased to 50% under this law? FinanceSubCom to inquire.

COMMITTEE: Goal is to finish hearings this month. Understand department budgets & correct if necessary. Vote budgets in first half of March.
